Recognize Guests/Public Comment

Ted Schierer of 625 W Mt. Vernon addressed the board regarding the Phil Fischer property at 605 W. Mt Vernon. He and Mr. Fischer are interested in preserving the property as it has ties to the underground railroad through this area. It was suggested a starting point would be to talk with the Woodford County Historical Society.

Mayor's Report

Mayor Deeb spoke of the need to update the village website and how important it is in promoting our community and the advantages Metamora has to offer. She presented a proposal submitted by Central States Marketing in the amount of \$14,000.00 for the redesign, development and management of the Village of Metamora website. This company is recommended by Hometown Consulting.

After discussing the matter, Trustee Nauman made a motion to accept the proposal with Trustee Bowers seconding. With a vote of 5 yeas and 0 nays, the motion passed.

Next on the agenda was an in-depth discussion about a vicious dog ordinance. There have been several attacks on residents and/or pets by dogs that are loose and the board is in agreement that an ordinance that strongly enforces more than the existing leash ordinance we now have is necessary. Attorney Brunton was instructed to propose an ordinance for the board to review and approve.

Short discussions were held on a business development district and the possibility of a Veterans "Pocket" Park on the site of the former legion hall. A general consensus by the board was to move forward and investigate the possibility of a park on that corner.
