**Recognize Guest/Public Comment**

Curt Breitbarth, 219 N Niles, addressed the board expressing his thoughts against the new rule and ordinance forthcoming regarding pets in the park square during events. He wanted to know how and why this decision was made. He was informed that because of several incidents of unleashed dogs chasing people and their pets, as well as one resident walking on the sidewalk being viciously attacked by two dogs, the board has instructed our attorney to write ordinances with strong rules, regulations and fines for anyone who does not follow the vicious dog ordinance as well as not allowing dogs in the village square during events. These ordinances will be approved at the next board meeting. Again, the board feels the safety of our residents, especially our children, who walk and ride bikes on our streets and parks must be a priority in this situation.

David Breitbarth, 101 S. Hanover, addressed the board thanking them for replacing the worn and faded flag flying between the village hall and the administration building.
